## AFTERNOON TEA

The Afternoon Tea is available for parties of 20 or over, (or subject to a minimum charge of £179.00), on any days when the trains are operating.

Several variations are available. You can simply enjoy tea whilst having one round trip or you can travel on an earlier train, look around our Museum Complex and Country Park, and then arrange to join your train later in the day.

Please advise us of any special dietary requirements, and if any of your party require special assistance, so that we can make the necessary arrangements.

All this at a cost of only £8.95 each – including your train fare.
